

2026 Community Art Banner Project Sponsorship

The Eastern Madera County Foundation's Beautification Committee is proud to launch the 3rd Annual Community Art Banner Project. Banner will be hung throughout Oakhurst, North Fork, Coarsegold & Bass Lake from mid-May through ARTober (October) welcoming visitors and locals to their communities on one side and featuring a local artist painting or photography on the other.

We are excited to offer sponsorship opportunities to bring this vision to life. We'd like to thank all the businesses and individuals who sponsored the inaugural Community Art Banner project and welcome new sponsorships, you can see last year's sponsors, banners, and artists at <https://www.yosemitethisyear.com/community-art-banners>

Sponsorships are limited due to the availability of artists and poles in each community to hang these wonderful "Welcome To" and artistry banners. First come, first served – Act Now!
